FOUND: Pollinators at Awbury Arboretum
The premier event of the Year of the Pollinator is our art installation; 
**FOUND: Native Pollinators at Awbury Arboretum**, featuring twelve one of a kind, beautifully crafted tiles by Karen Singer Tileworks.

All are welcome to join us for the unveiling of **FOUND**, including a gallery reception at the Cope House, a brief studio talk with artist Karen Singer and tour through the arboretum led by Master Naturalist Nancy Pasquier.

Visit [www.awbury.org](http://www.awbury.org) or [karensinger.com](http://karensinger.com) for more information about the exhibition.
