

Preferred Music Vendors

We encourage all clients to work with our highly-reviewed preferred music vendors, who are comfortable and experienced with Awbury's space and equipment.

You may work with a band or DJ from outside of our list for an additional fee of \$500. DJs or bands from outside of our list will be required to visit the venue in advance and sign an agreement outlining our regulations.

Similarly, any group not hiring a DJ or band but using audio equipment will sign an audio agreement.
