

Who Lives Here?

Hey, kids! Look carefully at these photos of animal homes at Awbury.
Can you guess what animal lives there?

During your next visit to Awbury Arboretum, see if you can spot these habitats!
(Please remember to admire them from a distance; wild animals need their space to stay happy and healthy. Thank you!)

Answers

1. *groundhog*
2. *robin*
3. *bluebird*
4. *honeybees*
5. *fox*
6. *screech owl*
7. *slugs, millipedes, sowbugs*
