▪ August 28	▪ September 25	▪ October 23

This **FREE** programming is made possible with the support of **Let's Go Outdoors** and **Awbury** grant funders.

Let's Go Outdoors has a mission to Connect City Communities to Outdoor Experiences! They do this through using their diverse team of educators to work throughout Philadelphia and other areas to engage children, families, and adults in nature awareness activities, environmental programs, recreation, and learning opportunities. They can be found doing this at schools, parks/greenspaces/centers, community events, local partner sites like Awbury Arboretum, or via consultative/private work with other organizations.

Due to Covid 19 restrictions, we will be enforcing mask-wearing and social distancing. Thank you in advance for your adherence to these policies.
