

Awbury Arboretum Association

STRATEGIC PLAN 2025 - 2028

GOAL 1: CARE FOR THE LAND

We are prioritizing accessibility, site planning, and stewardship of our historic landscapes and facilities. A new horticulture volunteer program will help ensure excellence in care and maintenance.

GOAL 2: CARE FOR THE COMMUNITY

We are expanding environmental education, deepening community partnerships, and ensuring that all area children can access our transformative, nature-based learning experiences.

GOAL 3: CARE FOR THE AWBURY ARBORETUM ASSOCIATION

A thriving organization empowers our mission. We are strengthening support for our staff, stimulating board agency and securing long-term sustainability by planning for fair compensation, exceptional training and responsible growth.
